Nygren Statement on Resignation of Rep. Knudson

MADISON –Today, State Representative John Nygren (R-Marinette) issued the following statement in response to Rep. Dean Knudson’s (R-Hudson) decision to not seek reelection:

“While I am disappointed to see Rep. Knudson leave the State Legislature, I feel lucky to have served with him on the Joint Committee on Finance. The past two budgets, Rep. Knudson was a consistent conservative champion, becoming a powerful voice of reason and judgement. Residents of the 30th Assembly district were in the best of hands with Rep. Knudson as he was, and continues to be, a stout defender of the Constitution and protector of the taxpayer. I wish Rep. Knudson and his family well as he continues onto his next endeavor.”
